

Want to increase sales via social media in a crisis?

We will provide the conversion through a competent social media strategy is quality content, and properly configured advertising campaign. We offer 3 social media package depending on your task scope and budget. We have the experience to create a popular online magazine Piterstory. We understand what content users want and how to attract them. I completely trust My Media Group three times a day, as many times out the posts of our brand in social networks and thank the higher powers for our meeting. High professionalism, reliability, efficiency and ability to find the right solution in a difficult situation that's what we expect from a partner. In MMG it is. During the year our collaboration performance indicators of our social networks has improved two times and the MMG was probably much more customers. Now often have to fight for their attention and I will gladly continue to do so in 2016 we have great shared plans. With My Media Group is easy and a pleasure to work This team is full of inspiration and fresh ideas They're ready to go forward to surrender to the job showing enthusiasm for the work. My Media Group are working on the result and it is felt. Competent content plans and high-quality implementation of the tasks of the key components of our cooperation My Media Group are the people who can do so on your event or company find out everything. They can do everything. We had a chance to experience their professionalism on the part of SMM. Beautiful bright informative posts skilled work with comments and surprisingly accurate sample of the content are some of those benefits which Stereoletto in 2015 was the most successful festival. Contact us and get a 10% discount You can also call or write to us and it is better to come by for a Cup of coffee. We will
